#### MAY LET DOWN BARS FOR CENTRAL LEAGUE

George E. Lennon of the St. Paul baseball team of the American association

ball team of the American association declares that both he and President Cantillon of the Minneapolis club will welcome the Central Internation league to the Twin Cities. He says arangements can be made for the use of Lexington park when the association team is on the road. Mr. Lannon said tonight:

"Mr. Cantillon and myself have been in favor of letting down the bars to the minurs for three years, but there has developed opposition to this at preceding meatings of the American association.

"If the officials of the Central International league are sincere in their plans to include St. Paul and Minneapolis in their circuit I am more than willing to meet them half way on their proposition."

Last coaron the Central International league included Doluth, Winnipeg, Suparior and Grand Forks in their circuit. If present plans materialize Fargo, N. D. Minneapolis, St. Paul and Virginia, Minn. will be added.

Famous Runners of the World to Compete in New York.

NEW YORK, Jan. 19 .- New York will be treated to what promises to be one of the greatest races of the indoor season at the annual track and field Chicago, wrestling here this afternoon meet of the Irish-American Athletic under the name of "Young Gotch," was Jolub, to be held at Madison Square Garden on February 6, when John Paul Jones of Cornell university, who holds the world's one mile amateur record, toes the mark against Abel Kiviat of the Irish-American Athletic club, who holds the world's record for the 1500 meter run. The contest will be a 1000-

meter run. The contest will be a 1000-vard scratch event.

Although a race between these two men would alone suffice to attract a mammoth crowd to the garden, it is considered likely that "Mel?" Shep-pard, the world's 1000 meter record holder, and "Ted" Meredith, holder of the world's half-mile record, will also compete in the same event. If these four runners start the winner will be recognized as the world's champion,
